Satyam Shivam

LinkedIn: https://www.linkedin.com/in/satyamshivam06/ **Email**: satyamshivam896@gmail.com
GitHub: https://github.com/Satyamshivam06 **Mobile**: +91-8102537819

Skills

Languages: Python, Java(DSA), SQL(MySQL), OOPs
AI & Machine Learning: TensorFlow, Scikit-learn, Neural Networks(LSTM), Regression, Classification, Clustering
Generative AI & NLP: LangChain, RAG, Vector Embeddings, LLM APIs
Web Development: React.js, Node.js, Express.js, Flask, HTML5, CSS3, Tailwind CSS, MongoDB
DevOps & Automation: Docker, Git/GitHub, n8n
Data Visualisation: Matplotlib, Seaborn
Soft Skills: Problem Solving, Collaboration & Adaptability, Intellectual Curiosity

Internships

National Load Despatch Centre, GRID India | MERN Stack Intern — Jun 25 - Aug 25

- Engineered a MERN-based Demand Analysis Portal analyzing 10k+ energy records, improving demand trend visibility and reducing manual reporting efforts.
- Optimized database schema and migrated legacy datasets, accelerating query performance.
- Implemented **JWT-secured REST APIs** with role-based access control, preventing unauthorized data access across all endpoints.

Tech stack used: MongoDB, Express.js, React.js, Node.js, ECharts, RESTful APIs

Nischay Foundation | Web Content Developer — Jun 24 - Jul 24

- Revamped the WordPress site with 8+ content updates, improving navigation and user engagement.
- Published and optimized 5+ posts and pages, improving site accessibility and content discoverability.
- Standardized the user interface layout to align with the organization's mission and branding.

Tech stack used: WordPress

Projects

LPU RMS - AI-Assisted Relationship Management System | Github — Oct 25 - present

- Built an AI-driven support platform that **reduced manual policy search time by approximately 50%** using automated document retrieval and response generation.
- Designed a RAG pipeline using LlamaIndex and ChromaDB to query **10+ policy documents**, ensuring responses remained **highly source-grounded**.
- Implemented a **Faculty-led validation workflow** to bridge the gap between AI automation and institutional accountability, allowing for supervised approval of system-generated drafts.

Tech stack used: Python, LlamaIndex, ChromaDB, Flask, gemini-2.5-flash, Node.js, Express.js, MongoDB

LuxuryDrive - Vehicle Rental Platform | Github | Live — Aug 25 - Sept 25

- Developed a full-stack vehicle rental platform with **REST APIs**, **MongoDB**, **OAuth**, responsive UI.
- Incorporated **MVC architecture**, enabled **Google OAuth 2.0** authentication, and leveraged **Cloudinary** for secure user data and media management
- Crafted a responsive, mobile-first interface using frontend stack for cross-device accessibility.

Tech stack used: Node.js, Express.js, MongoDB, EJS, Google OAuth, Cloudinary

Training

Cipher Schools | Machine Learning with Data Science | **Link** — Jun 25 - Jul 25

- Performed data cleaning and preprocessing using Excel and Python to prepare high-quality datasets
- Applied supervised and unsupervised ML models, building projects and achieving up to 92% accuracy
- Utilized Seaborn and Matplotlib for data visualization and pattern analysis through EDA

Certificates

- Generative AI - Oracle University | **Link** — Oct 25
- Postman API Fundamentals Student Expert- Postman | **Link** — Oct 25
- Vector Search - Oracle University | **Link** — Oct 25
- Cloud Computing - NPTEL | **Link** — Apr 25

Achievements

- Solved **350+** DSA problems on **LeetCode**, **GFG**, and **HackerRank**, strengthening problem-solving skills
- Team Lead (AI/ML) – Smart India Hackathon 2025 (Internal Round): Led Generative AI feature development; integrated AI services with Flask-based REST APIs; nominated for Grand Finale.

Education

- **Lovely Professional University** — Phagwara, Punjab
  Bachelor of Technology - Computer Science and Engineering; **CGPA: 8.51** — Since Aug 23
- **Shivam Convent School** — Patna, Bihar
  Intermediate; **Percentage: 84** — Apr 22 - Mar 23
- **Holy mission sr secondary School** — Patna, Bihar
  Matriculation; **Percentage: 86.4** — Apr 20 - Mar 21
